WORKPLACE DESIGN PROFESSIONAL

Delta Business Solutions has 31 years of vast experience in space planning, fully integrated workplace design, interior design, structural design and renovation.

Our field of expertise includes projects ranging from 1000 to 500,000 sqft, domestically and internationally for multinational corporations, hospitality, commercial, education, healthcare, utilities, banking and finance, government agencies and service bureau, preparing detailed space plans, furniture specification documents and project administration and management.

We design flexible, motivating and sustainable furniture systems, which can be quickly and easily adapted to constantly changing organizational requirements.
