

Vi¹⁸ with its minimalist style and clever connectivity is the refreshing way to transform your office environment again and again.

the **Vi¹⁸** series
interchangeable office furniture system.

An expandable steel frame means you can make changes to a modern workstation a conference table, using smart **Vi¹⁸** connectivity. Add **Vi¹⁸** privacy panels, divider panels, desk returns, under desk cabinets and many more “add-on” accessories to create your own stylish, highly functional space.

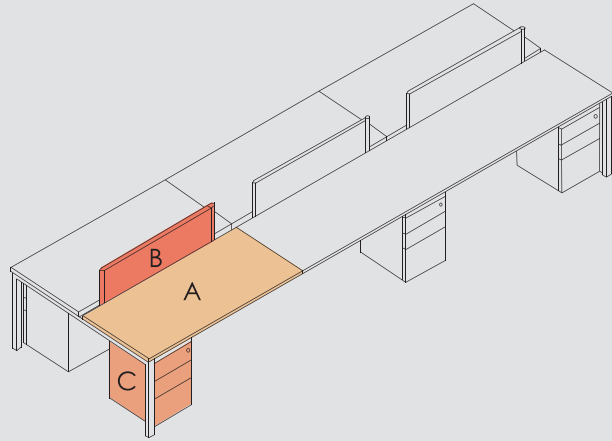

Vi¹⁸ [1]

main desk+side return+modesty panel

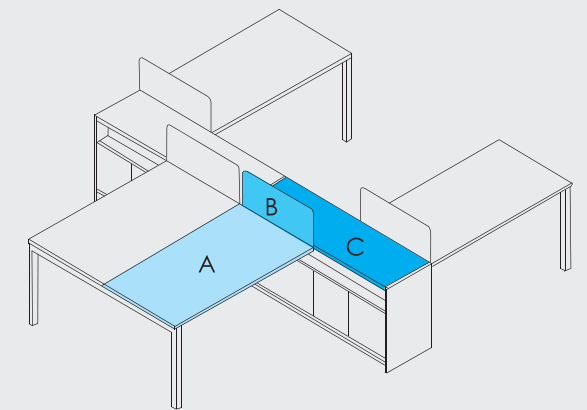

task desk + optional divider

Vi¹⁸ is an ingenious modular system, not just because of the simplicity of connecting and reconfiguring - but also because there are many creative opportunities for customisation. For example: Aluminium framed panels can be supplied in your choice of color and materials.

Here is a low Divider-Cabinet & Desk option. The cabinet serves as a connecting device for desks in the workstation. By choosing desks with a railing system or without, you can configure the workspace according to privacy, function & design needs.
