

South East Asia Bursary

£1,500 for students applying for pathway programmes at INTO University of Stirling

We are pleased to announce that for September 2014 and January 2015 entry INTO Stirling will be offering students from South East Asia a Bursary to the value of £1,500 available to all students applying to the following courses

- International Foundation
- International Diploma
- International Graduate Diploma

More information on each of these courses can be found here:

<http://www.intohigher.com/uk/en-gb/our-centres/into-university-of-stirling/studying/our-courses.aspx>

The Centre

The programmes will be taught at the state of the art campus located in East London, home to the already successful INTO London World Education Centre. State of the art facilities and on-site accommodation will be available to all students.

For further information about the centre please visit:
