*"UEA campus is a fascinating wonderland that you will fall in love with once you see it for yourselves - wonderful view of the lake, rabbits around campus, a large conservation park and a safe campus. The LCR attracts all the students with its entertainment and music, the Sainsbury Centre for Visual Arts attracts many world class art exhibitions, the Olympic swimming pool, football stadium, and gym makes the Sports Park one of the biggest University sport centres in the UK. I have spent my past 2.5 years at UEA and I never regretted my choice..."*
