Penang, 8th September 2012

Dear Madam, Dear Sir,

Re: Fund Raising to Assist in Various Established and New Projects by the Rotary Club Of Penang.

The Rotary Club of Penang will hold a Fundraising Jazz Dinner on Friday 30th November 2012 in support of our various Projects for 2012-2013 in assistance to our beloved community.

Over the 82 years of service to the Community, The Rotary Club of Penang has done many meaningful, sustainable and successful projects. We hope with this fund raising we are able to continue to assist the meaningful projects and also continue to do more good service projects for our community. To name a few, the following projects under our wing:-

- The Job Link Center; enable to provide knowledge and tools to work for the physically handicap young adults.

- The Wheel Chair Club project - The Penang Water project - The Underprivileged children support - The Home nursing - The Awareness on Sexual abuse campaign - The Awareness on obesity for Children campaign - The Dialysis Centers and many more projects to assist the less privileged in our society.

Our fundraising dinner will be a seat down 8 course Chinese dinner at the BayView Beach Resort. We hope to invite 600 to 650 guests to this very special event. This event would not have been possible without the BayView Beach Resort Hotel in assisting us greatly through their generosity by providing us with at cost price menu and sponsoring some tables for which we would like to express our deepest appreciation and gratitude.

A very special program will be display on that evening to entertain you and your guests. Top International and Local Jazz Bands will present us with their best performances

We, therefore, are inviting you and your company to support this very meaningful function by buying a table and or to sponsor this event with a cash donation. Any sponsorship above RM5,000.00 will be mentioned in the Event stage backdrop, Rotary newsletters and press releases, not to forget all donations will receive a tax exemption after deduction of the meal cost unless it is a full cash donation.

The price per table of ten persons is from RM1'500 nett or RM150 nett per person.
