

The €URO . . . An Endangered Currency?

The €URO crisis - You have heard about it!
But do you really know what that is all about?

Get in-depth coverage of

- Why the €URO was established and the role of Germany
- The facts on the European debt crisis and the impact on the €URO
- The bail-out of ailing banks and economies
- Deep concerns about the future of the €URO
- The stance of the German Chancellor Mrs. Merkel
- What financial measures have been agreed upon

Can the €URO survive?

Presentation (in English) with Q&A:

Dr. Achim Lauermann
