## COVID-19 CASE UPDATE

### JSAS Club House

Dear Members,

The Management Committee would like to inform you that a member and a guest have tested positive for COVID-19 on 17 September 2022. As per the Ministry of Health guidelines, both of them are currently undergoing self-quarantine.

We'd like to assure members that disinfection and sanitization of the JSAS clubhouse has been conducted on 17 September itself, on top of the daily sanitization and cleaning.

The club will remain open as per its operation hours.

**Members who visited the JSAS clubhouse and 1816 karaoke room from 14 September to 16 September 2022 are encouraged to monitor their health condition and conduct COVID self-tests over the next few days.**

We continue to encourage members to wear masks when indoors and practice good hygiene habits such as using hand sanitizers when visiting the OFA clubhouse and using its facilities. We advise you to refrain from visiting the clubhouse should you feel unwell or have been a close contact of a COVID patient, for the benefit of others.

Thank you for your cooperation and understanding.

The Old Frees' Association  
17 September 2022
