COVID-19 CASE UPDATE

Dear Members,

The Management Committee would like to inform you that one of our staff has tested positive for COVID-19 on 20 June 2022. As per the Ministry of Health guidelines, he is currently undergoing self-quarantine until he recovers.

We'd like to assure members that disinfection and sanitization of the Bay Avenue clubhouse has been conducted on 20 June itself, on top of the daily sanitization and cleaning.

The club will remain open as per its operation hours.

Members who visited the Bay Avenue clubhouse from 17 to 19 June 2022 are encouraged to monitor their health condition and conduct COVID self-tests over the next few days.

We continue to encourage members to wear masks when indoors and practice good hygiene habits such as using hand sanitizers when visiting the OFA clubhouse and using its facilities. We advise you to refrain from visiting the clubhouse should you feel unwell or have been a close contact of a COVID patient, for the benefit of others.

Thank you for your cooperation and understanding.
