Breakfast at hotel, and then start to explore South Gate of Angkor Thom known as Big Angkor, 3km² walled and moated royal city and was the last capital of the Angkorian Empire, **The famous Bayon Temple** was an architectural muddle, in part because it was constructed in a somewhat piecemeal fashion for over a century. **Terrace of the Elephants** is an impressive, two and a half meter tall, 300 meter long terrace wall adorned with carved elephants and gradual that spans the heart of Angkor Thom in front of **Baphuon** - huge temple mountain in the heart of Angkor Thom, **Royal Palace Area** and **Phimeanakas** - impressive rite and sandstone pyramid. **Terrace of the Leper King** is at the north end of the Terrace of the Elephants, a double terrace wall with deeply carved nagas, demons and other mythological beings. Lunch at local restaurant!

Afternoon visit **Ta Prohm temple** which is a wonderful combination of human genius and natural beauty! Giant trees have grown here for centuries and **Angkor Wat temple**, the founder of the temple was Suryavarman II who reigned Cambodia from 1113 to 1152 and built the five towers in the 12th century to dedicate to the Hindu God Vishnu.
