

# Testimonies

~~~~~

CHOICE has helped me not to take my loved ones for granted but to always appreciate and value them; also to forgive and love those who hurt me.

CHOICE 40 – PENANG

~~~~~

Thru CHOICE I have found the need to belong to my God, my family, friends and to a community and that to me is the start to learning what love is.

CHOICE 24 – PENANG

~~~~~

After CHOICE Weekend, my life has become more fulfilled and now I belong to a caring and understanding society.

CHOICE 26 – PERAK

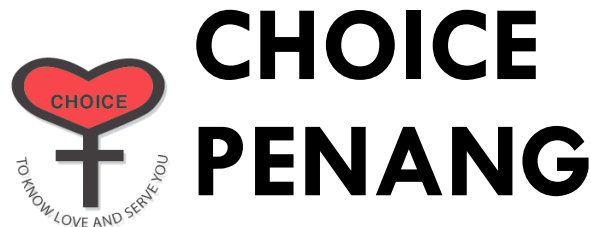

~~~~~

CHOICE is not a matchmaking programme. It has made a difference in me and I try to be more sensible, open and confident. I'm glad that I'm part of the CHOICE Family.
